Rx

" Superior analgesic & anti inflammatory agent "

ZEROKIND-P

Tablets

Aceclofenac 100 mg
Paracetamol 325 mg

→ Action

→ Aceclofenac

- ◆ Potent analgesic and anti inflammatory agent

→ Paracetamol

- ◆ Time tested and trusted group of antipyretic & analgesic

→ Indication

- ◆ Post traumatic and post surgical Pain
- ◆ All types of arthritis
- ◆ Cervical pain, back pain, dental pain
- ◆ Pain of sinusitis otitis media

" The faster pain killer "

" Superior analgesic & anti inflammatory agent "

Rx

ZEROKIND-SP

Tablets

Aceclofenac
100 mg

Paracetamol
325 mg

Serratiopeptidase
15 mg

Action

Aceclofenac

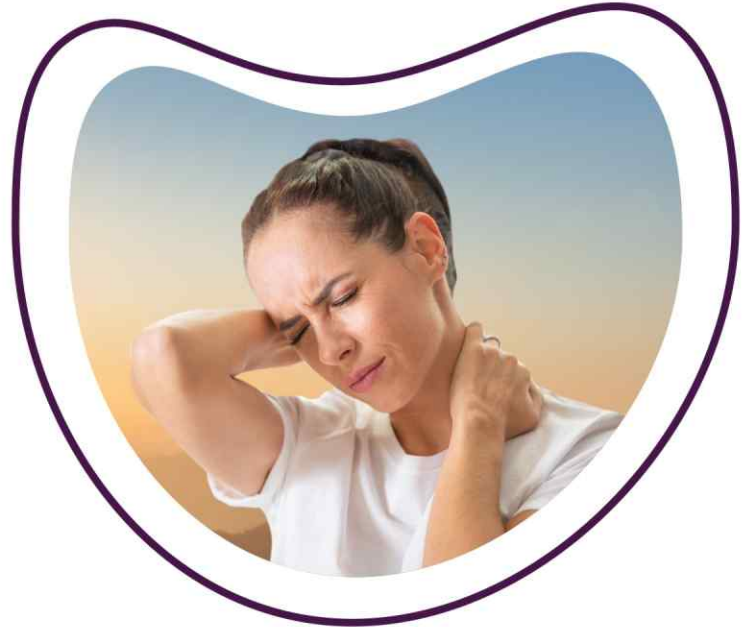

- ◆ Potent analgesic and anti inflammatory agent
- ◆ GI friendly NSAID

Paracetamol

- ◆ Best analgesic and antipyretic

Serratiopeptidase

- ◆ Potent anti inflammatory & fibrinolytic agent
- ◆ Decreases edema / Increases drugs penetration
- ◆ Speed up Tissue Healing and Repair

Indication

- ◆ Post traumatic & Post surgical
- ◆ Pain & inflammation
- ◆ All types of arthritis
- ◆ Cervical pain, back pain, dental pain
- ◆ Dysmenorrhea
- ◆ Pain of sinusitis otitis media

" The faster pain killer "

"The target specific pain-killer"

Rx

ZEROKIND^{ET} TABLETS

Etoricoxib 60 mg + Thiocolchicoside 4 mg

Etoricoxib

- The specific cox-2 inhibitor
- Superior target specific pain relief
- Less GI side effect
- Once a day dosing & high patient compliance

Thiocolchicoside

- Potent muscle relaxant with less sedation

Indication

- Post surgical & post traumatic pain management
- Acute low back pain
- Spondylitis
- Arthritis
- Dental pain

" Pain Relief at its Best"

Rx

Advance control over painful
inflammatory Conditions

ZEROKIND-TH Tablets

Aceclofenac 100 mg + Thiocolchicoside 4 mg

Aceclofenac

- ◆ Potent analgesic and anti inflammatory agent
- ◆ GI friendly NSAID
- ◆ Stimulate cartilage matrix synthesis
- ◆ High bioavailability

Thiocolchicoside

- ◆ Non-sedating muscle relaxant with anti inflammatory and analgesic action
- ◆ Relief of muscle stiffness, pain and discomfort caused by strains, sprains, muscle injury etc

Indication

- ◆ Post traumatic and post operative pain
- ◆ Rheumatoid arthritis, osteoarthritis
- ◆ Dental pain
- ◆ Any pain associated with muscle spasm

ZEROKIND-TH
Tablets

" Offers quick pain relief & Muscle spasm "

**A Perfect Combination to
treat trauma & wound Healing**

R

TRYPTORATE-BR

TABLETS

Trypsin
48 mg

Bromelain
90 mg

Rutoside
100 mg

Trypsin

- ◆ Best proteolytic enzyme to treat trauma / inflammation
- ◆ Reduces wound healing time
- ◆ Reduces COPD exacerbation in patient with poor lung function
- ◆ Reduces pain in rheumatic disease

Bromelain

- ◆ Perfect anti-inflammatory & immunomodulator enzyme

Rutoside

- ◆ Best anti-oxident
- ◆ Prevent cell damage & eliminates toxins

Indication

- ◆ Post - traumatic & post - surgical wound & inflammation
- ◆ As a cleaning agent for necrotic wound
- ◆ Menstrual cramps
- ◆ Any pain & inflammation due to musculoskeletal conditions like osteoarthritis & rheumatoid arthritis

" Unique formula to Heal wound "

For backache, muscle pain, sprains, strains

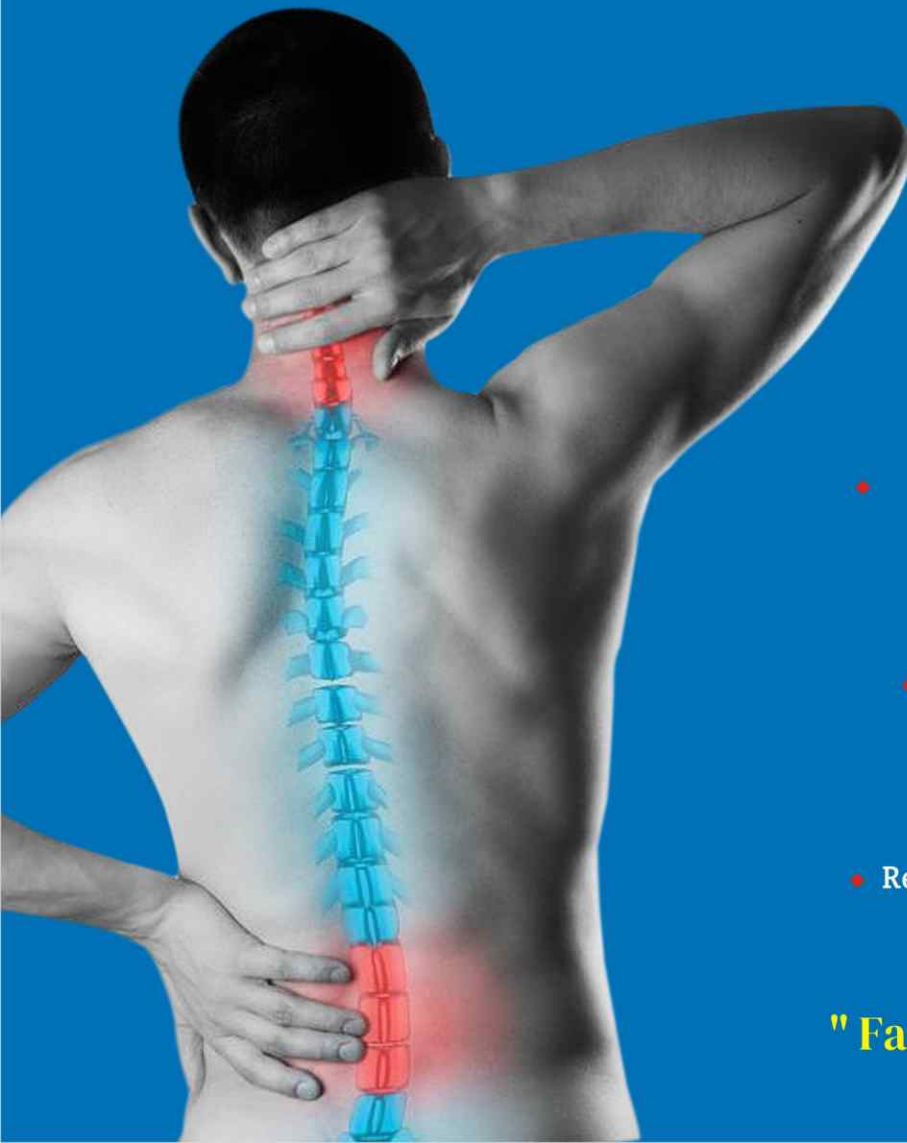

R

DicloCool GEL

For quick action & longer effect 30g

Diclofenac Diethylammonium | Virgin linseed oil
Methylsalicylate | Menthol | Capsaicin gel

FIRST TIME IN INDIA VIRGIN LINSEED
OIL IN DICLOCOOL GEL FOR DEEP PENETRATION & LONGER ACTION

DICLOFENAC

- Potent NSAID
- Effectively reduces back, neck, shoulder pain & swelling

METHYL SALICYLATE

- Ensure counter irritant action
- Reduces Inflammation

MENTHOL

- Dilate blood vessel, produces coolness & produces analgesia

VIRGIN LINSEED OIL

- Reduces pain Inflammation of arthritis
- Accelerates the healing of sprains

CAPSAICIN

- Relief of neurological shooting & burning pain
- Relief of muscle & joint pain

" Fastest & most powerful pain relief "

" Best combination for productive
cough & Bronchospasm "

R

CHESTOFREE

100ml

SYRUP

Terbutaline 1.25 mg + Guaiphenesin 50 mg+
Ambroxol HCL 15 mg + Menthol

(Delicious Orange Flavour)

Terbutalin

- ▶ Long acting b-2 receptor agonist & bronchodilator
- ▶ Additional anti - allergic action

Guaiphenesin

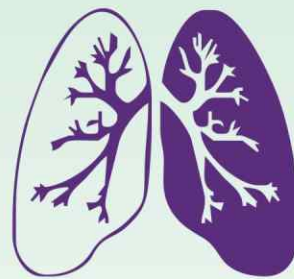

- ▶ Best expectorant as it reduce viscosity of secretion

Ambroxol

- ▶ Best mucokinetic & secretolytic

Menthol

- ▶ Soothing effect

Indiction

- Bronchial asthma • COPD • Bronchiectasis
- Bronchopneumonia • Bronchitis, Bronchiolitis & WHALRI
- LRTI (Lower respiratory tract infection)
- Any bronchopulmonary disorder

" Easy Breathing in all seasons"

" Best combination for Dry and irritating cough "

Rx

CHESTODEX

100ml

SYRUP

Dextromethorphan 10mg, Phenylephrine 5mg +
CPM 2mg + menthol

(Delicious Raspberry flavour)

Dextromethorphan

- ▶ Potent cough suppressant

Phenylephrine

- ▶ As a nasal decongestant

CPM

- ▶ H1 - receptor antagonist /
anti - histamine & antiallergic

Menthol

- ▶ Soothing effect

Indication

- Dry irritating cough of pharyngitis, tonsillitis, PND
 - Common cold & cough
 - Allergic Rhinitis

"Quick Relief from cough & cold"

" Best combination for Allergic rhinitis & asthma "

R

Monrich-L

SYRUP

Montelukast 5 mg + Levocetirizine 2.5 mg

(Delicious Mango Flavour)

Actions

- **Levocetirizine** as non-sedating H-1 receptor antagonist and antiallergic
- **Montelukast** as best mast cell stabilizer for long term allergy & asthma control
- Combination targets 2 different pathways of allergy & asthma with synergistic effect
- Safe in pediatric population above 01 year

Indication

Allergic Rhinitis

Runny nose / common cold

Bronchial asthma

Any kind of allergy etc.

" Bye - bye to all allergies "

" Best combination for allergic rhinitis / asthma "

Rx

Monrich-L

TABLETS

Montelukast 10 mg + Levocetirizine 5 mg

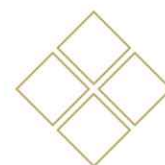

Actions

- **Levocetirizine** as non-sedating H-1 receptor antagonist and antiallergic
- **Montelukast** as best mast cell stabilizer for long term allergy & asthma control
- Combination targets 2 different pathways of allergy & asthma with synergistic effect

Indication

- ◆ Allergic Rhinitis / runny nose / common cold
- ◆ Bronchial asthma
- ◆ Any kind of allergy etc.
- ◆ Afebrile cough & cold

" Bye - bye to all allergies
& Related Symptoms "

Rx

Advance choice in APD, Peptic ulcer, GERD

RPI-DSR

CAPSULES

Rabeprazole 20 mg + Domperidone Sustain Release 30 mg

Rabeprazole

- The fastest acting PPI thus fast relief from symptoms
- Potent PPI provide 99% inhibition of proton pumps thus maximum suppression of acid release

Domperidone

- Increases lower esophageal tone & esophageal clearance
(The International journal of gastroenterology ISSN : 1528 : 8323)
- Eliminate the nausea & vomiting associated GERD
- Used for its prokinetic action in dyspepsia

Indication

- * All acid peptic Disorders
- * Gastric & duodenal ulcers / GERD
- * Heartburn and Reflux Esophagitis
- * Irritable Bowel syndrome

" Better Relief from symptoms
Better quality of life "

Rx

A drug of choice in acid peptic disorders

PPI-DSR

CAPSULES

Pantoprazole 40mg + Domperidone SR 30mg

Pantoprazole

- Potent long acting proton pump inhibitor
- Prevent mucosal damage
- Convenient dosage leading to high patient compliance
- No interaction with antacids

Domperidone

- Increases lower esophageal tone & esophageal clearance
(The International journal of gastroenterology ISSN : 1528 : 8323)
- Eliminate the nausea & vomiting associated GERD
- Used for its prokinetic action in dyspepsia

Indication

- * APD
- * Dyspepsia
- * Heart Burn /Acidity
- * GERD
- * Along with steroids / NSAID
- * Gastric & deodenal ulcers

" Extinguish the fire of stomach "

The Pre / Probiotics Revolution
Restore Normal GI Flora

Rx

Colonopro

Pre & Probiotic With L-Glutamine Capsules

Probiotics

- Maintains normal intestinal flora
- Significantly boost the immune system
- Helpful in improving nutritional status
- probiotic strains are effective for genitourinary infection

Prebiotics

- Fructooligosaccharide
- Stimulates the growth of probiotic strains
- Significantly reduces the incidence of colon Tumors

Indication

- ▲ Acute Gastroenteritis
- ▲ Irritable bowel syndrome
- ▲ H pylori gastritis
- ▲ Lactose intolerance
- ▲ Antibiotic associated diarrhoea
- ▲ Inflammatory bowel disease
- ▲ Genitourinary Infections

Colonopro faster recovery & faster
return to normal GI functioning

R

VITCOKIND-XT

TABLETS

Multi Vitamine / Multimineral with
antioxidant & Lycopene

- ▶ Multivitamin & multimineral for Growth & Vitality
- ▶ Anti - oxidents for tissue repair & healing
- ▶ Lycopene as a Appetizer

Win over every situation with high range of health benefits

" The Complete Solution for Growth & Vitality "

Rx

METAFERON

TABLETS

Ferrous Bisglycinate 300 mg | Folic acid 300 mg | Cyanocobalamin 1.2 mg

Indication

Nutritional Anemia

Pregnancy

Malnutrition

Worm -infestation

Adolescents

Dietary Supplement

Ferrous bisglycinate is Superior
to other Iron salts in terms of

- Better absorption & bioavailability
- Better GI - tolerance
- Faster Hb - rise

" Faster Hb rise hence
faster result "

R

Superior Multivitamin with Multimineral,
anti - oxidant and lycopene

VITCOKIND-XT

200ml

SYRUP

(Delicious mixed Fruit flavour)

- ▶ Multivitamin & multimineral for Growth & Vitality
- ▶ Anti - oxidants for tissue repair & healing
- ▶ Lycopene as a appetizer

Win over every situation with high range of health benefits

" The Complete Solution for Growth & Vitality "

" Best Calcium for all age groups "

Rx

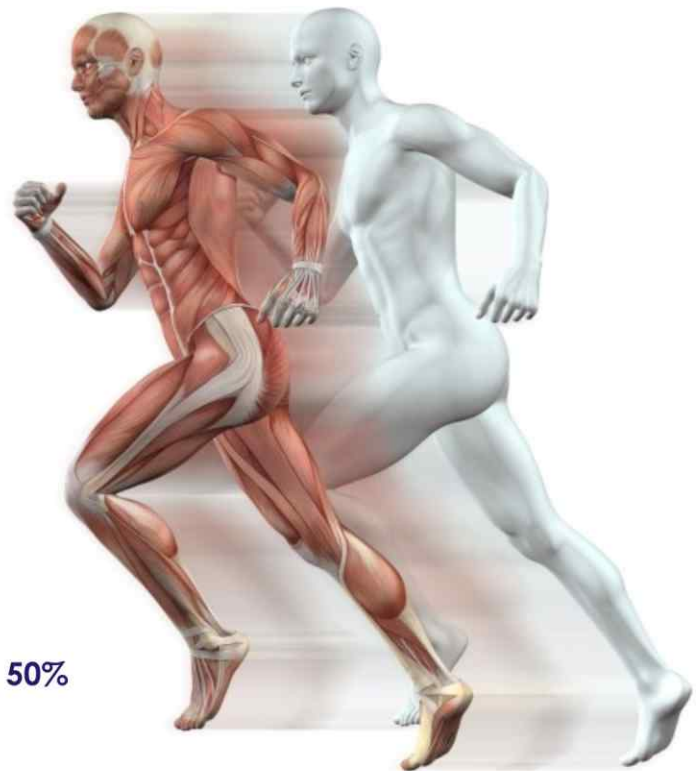

Zimcal-D3

TABLETS

Tab Zimcal - D3 each tablet

- ◆ Calcium citrate 1000mg
- ◆ Vit D-3 600 IU
- ◆ Zinc 17mg
- ◆ Magnesium 75mg

Building
STRONG BONES...
need more than
Calcium

Calcium Citrate
(Better than Calcium Carbonate)

Superior bioavailability
Better Absorption
Greater Suppression of PTH by More than 50%
over Calcium Carbonate

J.Clin. Pharmacol.2000;40:1237-12

Vitamin D3

Enhances Calcium absorption &
helps in bone magnesium content

Magnesium

Women with osteoporosis have
lower bone magnesium content
1st.J.Med.Sci, 1681'17:1123-1125

Zinc

Studied revealed that the
combination prevented bone loss

J.Nutr. 1996;126:2410s-2418s

Essential for endocrine functions,
Metabolism & normal growth

Indication

- ▶ Pre & Post Menopausal
- ▶ Fracture
- ▶ Osteoporosis
- ▶ Old age
- ▶ Pregnancy & Lactation
- ▶ Rickets
- ▶ Dietary Supplement

" Complete Minerals for Healthy bones "

" Best Calcium for
Growing age &
deficiency "

R

Zimcal-D3^{200ml} SYRUP

(Delicious mango flavour)

Syp. Zimcal - D3 each 10ml

- ◆ Syp. Calcium carbonate (eq. to elemental calcium) 250mg
- ◆ Magnesium 75mg
- ◆ Zinc Gluconate (eq. to elemental zinc) 2mg
- ◆ Vit- D3 200 IU

**Building strong bones, need
more than calcium**

**For bone, teeth strength
& proper mineralisation**

Indication

- Vit - D deficiency
- Pregnancy / lactation
- Malnutrition
- Health Supplement

" Complete Minerals
for Healthy bones "

R

Rampro

200gm

with DHA Protein Power

**High Quality 25%
Protein Per 100gm**

**Safe in child Pregnancy
Lactating mother**

**Complete protein
suppliments for
all age groups**

**Easily soluble
in water & milk**

**Delicious chocolate
flavour**

**Enriched with
DHA iron calcium,
vitamins & minerals**

Provide better bioavailability of progesterone with...

R

PREGANFIX SR

Natural Micronised
Progesterone 200 mcg

Tablets

Small size progesterone particles enhances its
dissolution and absorption

Better availability of progesterone (Natural Micronised)
in the body and decreases its side effects

Premenstrual
symptoms

Premature labor

Pregnancy

Secondary
amenorrhea

Hormone replacement
therapy after menopause

Contraception

" Best and Complete Women
Hormone Solution "
